Dear Parents,

Congratulations! You have just taken the first step towards ensuring your child’s academic excellence within a Christian atmosphere. We serve our community by developing happy, secure, and responsible children. The foundation of our school is a focus on Christ, a constant supply of love and nurturing from certified, experienced teachers, and the fostering of a close family feeling in a carefully appointed classroom. Our student/teacher ratios are low, offering each child individual attention. Enrollment is limited to help achieve these goals.

We will begin our registration for the 2016 – 2017 school year on Monday, January 11th. This first registration period, lasting one week, is limited to returning students, siblings and Abiding Savior Lutheran Church members. We will open up enrollment for any remaining spaces to children from the waiting list and community on Tuesday, January 19th. Children born on or before January 1st, 2015 are eligible to join us for the 2016 - 2017 school year. We cannot accept any forms before January 11th.

Enclosed please find:

1. Our Enrollment Application
2. Our Tuition and Fees Policies Sheet

Please read the Tuition and Fees Policies Sheet and our Enrollment Application carefully.

Please be aware that the times your preschool child comes this year are not reserved for you next year. You must reenroll and availability is offered on a first come/first serve basis.

To complete your child’s application, please return the following items, along with your \$200 non-refundable Application/Activity/Supply Fee by Friday, January 15th.

1. Our Enrollment Application, with your child’s photo attached
2. DH Form 680 Florida Certification of Immunization (available from your child’s pediatrician)
3. DH Form 3040 School Entry Health Form (available from your child’s pediatrician)

Please call us if you have any questions regarding our policies or your child’s application or placement. We look forward to being with you in the coming school year.

In Christ,

Gabi Hein

Preschool Administrator
